

## **7<sup>th</sup> Individuals and Societies**

**Mrs. Amanda Moffat**

Willows Preparatory School 2018-19

### **Subject Aims**

- appreciate human and environmental commonalities and diversity
- understand the interactions and interdependence of individuals, societies and the environment
- understand how both environmental and human systems operate and evolve
- develop inquiry skills that lead towards conceptual understandings of the relationships between individuals, societies and the environments in which they live

### **Keys to Class**

- *Discovery Our Past: A History of the World* can be accessed online for each student through the school year. All curriculum is built from the outlines of the textbook.
- Individuals and Societies is an interactive class, uncovering the history of the world through note-taking and in class discussions. In 7<sup>th</sup> grade, we begin to explore primary document analysis and asking the “why” and “how” of history.
- Our classroom relies heavily on OneNote in which all classwork and assignments are distributed.
- Each week, classwork is due every Sunday and students will be given only one homework assignment.
